

Standard Bank Transfer Guide

Steps to do Standard Bank Transfer

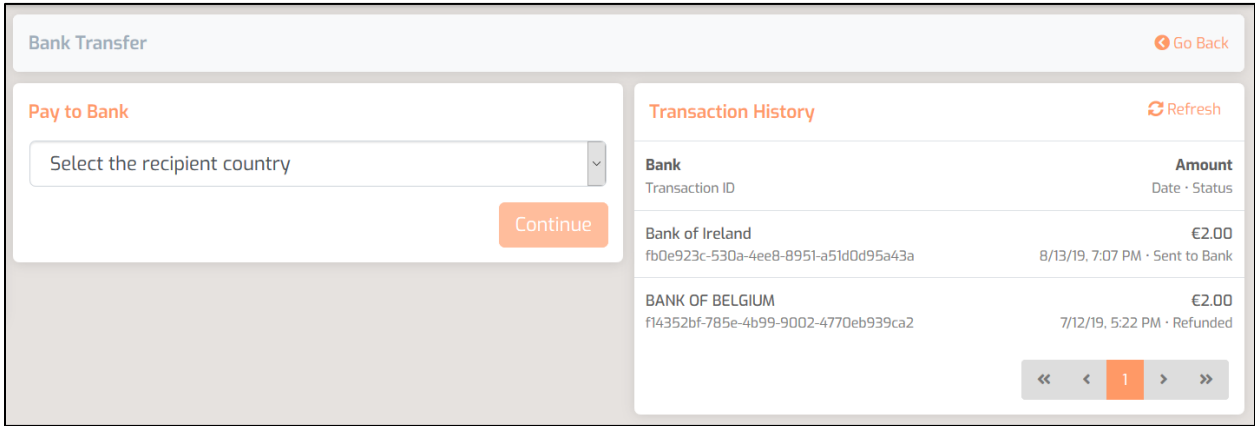

1. Login to your PayGlobal account.

2. On the “User Wallet” page, click on the “Standard Bank Transfer” feature under the “Withdrawals” section.

3. This will take you to the “Bank Transfer” page, where you can follow few steps to initiate a bank transfer request.

4. Select the recipient bank country from the dropdown list, and click on the “Continue” button.
